

UNLV IACUC

## Approved

DATE: April 15, 2021

TO: Allyson Hindle  
FROM: UNLV IACUC

PROJECT TITLE: [1735921-1] Role of endothelial cell activation in hypoxia tolerance of an elite diver, the Weddell seal

REFERENCE #:

SUBMISSION TYPE: New Project

ACTION: APPROVED

DECISION DATE: April 15, 2021

EXPIRATION DATE: April 14, 2024

Thank you for your submission of New Project materials for this research project. The UNLV IACUC has APPROVED your submission. All research must be conducted in accordance with this approved submission.

Please note that any revision to previously approved materials must be approved by this committee prior to initiation. Please use the appropriate amendment form for this procedure.

Please report all NON-COMPLIANCE issues regarding this project to this committee.

### Annual Review

This project requires annual review by this office. Please use the appropriate annual review form for this procedure.

### Renewals

All projects expire three years after the approval date. You must submit and obtain approval for a new project prior to April 14, 2024 to avoid any lapse in approval.

If you have any questions, please contact Kevin Bergeron at (702) 895-5453 or [kevin.bergeron@unlv.edu](mailto:kevin.bergeron@unlv.edu). Please include your project title and reference number in all correspondence with this committee.
